

Copyright Transfer Statement

I declare that the paper and its parts have not been accepted for publication or submitted elsewhere and that the paper is approved by all co-authors, if any, by the responsible authorities of the institute, where the work has been carried out. Also all co-authors agree with the copyright transfer to the publisher.

The corresponding author warrants that this contribution is original and that she/he has full power to make this grant. The corresponding author signs for and accepts responsibility for releasing this material on behalf of any and all co-authors.

The copyright to this article is transferred to the **UNION Agency** (for U.S. government employees: to the extent transferable) effective if and when the article is accepted for publication. The copyright transfer covers the exclusive rights to reproduce and distribute the article, including reprints, translations, photographic reproductions, electronic form (off-line and online) or any other reproduction of similar nature.

Permission to make digital or hard copies of all or part of this work for personal or classroom use is granted without fee provided that copies are not made or distributed for profit or commercial advantage. To copy otherwise, or republish, to post on servers or to redistribute to lists, requires prior specific publisher permission and/or a fee. The manuscript can be made available on-line free of charge if and only if the proper reference to the actual publication and publisher with the hyperlink is provided and for non-commercial purposes, only.

Please, use CAPITAL letters only and BLACK INK
